

Coil & Sheet Division

Who We Are

JD Metals was established in 1994 on the principle of providing our customers with exceptional value through a commitment to quality and service. In 2012, new leadership brought expansion and growth into new markets and products, including the Posteel® post frame and premium steel frame building lines. The Coil & Sheet Division is our latest innovation; a hub to bring more products and convenience to our customers.

What We Offer

- Light gauge metal for the residential, commercial and architectural markets
- Multiple gauges and grades in over 50 colors
- Master & pup coils available
- Flat sheets
- Sherwin-Williams Fluorpon® & Weather XL® paint systems
- In-house slitting and cut-to-length operations
- In-house fleet, providing expedited shipping
